- Advice and information regarding Registration of the death.

- If required, arranging for catering at a venue of your choice following the Service. (Our Bridport Funeral Home has a function room adjacent to the Service Chapel, where refreshments can be provided by us or yourselves and our Honiton Funeral Home has a large space for refreshments).
- Arranging special musical requests for the Service, such as digital downloads, cds, a soloist piper or choir, as well as ordering music on the digital Crematorium systems, if required.
- Ordering floral tributes on behalf of the family.
- Acceptance and care for floral tributes delivered to our premises prior to the Service and delivery to a local place of your choosing after the Service, if required.
- Accepting donations for nominated charities in lieu of flowers on your behalf, providing a list of those who have donated after the Service and administering funds direct to Charities.
